Note: The following seven photocopies (WA-208-22 through WA-208-28) are from a 1932 set of building plans made for the U.S. Department of Agriculture, Forest Service and labelled "R-6 1930 L.O. House, 14' x 14', 1932 Revision, designed by K.E. Banks." In handscript, each drawing is also labelled with "Ground Type 'D' for Horse Pack." The HABS films, from which these photocopies were made, are high-contrast 8x10" negatives made from the original drawings in the collection of the Entiat Ranger Station, Wenatchee National Forest, Entiat, WA.

WA-208-22	Photocopy of "Sheet 1 of 8" showing Foundation and Sill Layout, Floor Plan and Joist Framing Plan.
WA-208-23	Photocopy of "Sheet 2 of 8" showing Front, Side and Rear Elevations and the Framing for those elevations.
